

Memorandum – Core #197

To: UNC Medical Center Attending Physicians and Faculty Practice Physicians, Housestaff, Clinical Nurse Coordinators, Department Heads and Supervisors

From:  Herbert C. Whinna, MD, PhD
Medical Director, McLendon Clinical Laboratories

Date: June 18, 2023

Subject: Post-Vasectomy Semen Analysis Testing Change

Effective June 19, 2023, post-vasectomy semen analysis testing location will change from Core Laboratory at UNC Medical Center to Eastowne Laboratory in the Eastowne MOB. Specimens should be collected and delivered to the laboratory at Eastowne MOB Monday-Friday between the hours of 8AM and 2PM. Testing will no longer be performed at the UNC Medical Center Core Laboratory. This change is for post-vasectomy specimens only.

Patients will be asked to register at the front desk upon arrival and lab staff will be accepting specimens for analysis. Please be aware there are no facilities on site for collection, therefore specimens must be collected prior to arrival.

Questions, please contact Cecily Flynn by email at Cecily.Flynn@unchealth.unc.edu or Eastowne lab main number 984-974-6173.
