

Memorandum – Micro #238

To: UNC Medical Center Attending Physicians, Faculty Practice Physicians, Housestaff, Clinical Nurse Coordinators, Department Heads and Supervisors

From:  Melissa B. Miller, PhD
Director, UNCCMC Microbiology and Molecular Microbiology Laboratories

 Herbert C. Whinna, MD, PhD
Medical Director, McLendon Clinical Laboratories and Hillsborough Hospital Laboratories

Date: September 9, 2024

Subject: Update to Bone Marrow Cultures

Beginning September 9, 2024, the Clinical Microbiology Laboratory at UNC Medical Center will offer a combined culture for bone marrow aspirates and biopsies that will automatically include bacterial, fungal, and mycobacterial cultures.

EPIC name: Bone Marrow Culture
Test ID: LAB5073

Additional information is available at the UNCCMC McLendon Clinical Laboratories website: <https://www.unccmedicalcenter.org/mclendon-clinical-laboratories/available-tests/culture-bone-marrow/>

Questions can be directed to the UNCCMC Clinical Microbiology Laboratory at 984-974-1805 or Dr. Melissa Miller at Melissa.Miller@unchealth.unc.edu.
