

Memorandum – Coag #31

To: UNC Health System Attending Physicians, Faculty Practice Physicians, Housestaff, Clinical Nurse Coordinators, Department Heads and Supervisors

From:  Herbert C. Whinna, MD, PhD
Medical Director, McLendon Clinical Laboratories

Date: March 16, 2023

Subject: Anti-Cardiolipin and Anti-Beta2 Glycoprotein 1 Antibodies Testing Delayed

Due to instrument failure and continued vendor repair unavailability, testing for Anti-Cardiolipin and Anti-Beta2 Glycoprotein 1 Antibodies will be sent to Mayo Medical Labs beginning on Monday, March 20th. The Epic order will not change, but the tube type will change from the light blue sodium citrate tube to the gold top serum separator tube.

For questions related to these changes, you can contact Herbert Whinna via Epic In-Basket or email me at: Herbert.Whinna@unchealth.unc.edu.
